\_\_\_\_\_

# Home Recycling Survey

## Part 3: Reflection and Analysis

**9. Based on your survey, what changes could you suggest to improve recycling at home?**

(e.g., set up more bins, better sorting, more awareness, etc.)

- **Suggested Changes:** \_\_\_\_\_

**10. Why do you think it is important to reduce, reuse, and recycle?**

**Write 2-3 sentences explaining your thoughts.**

- **Your Answer:**

---

---

---

---

**Bonus Activity: Draw a poster or create a checklist to encourage your family to recycle more items regularly. Share it with them to see if they can improve their recycling habits!**
